Annual Marriage Events

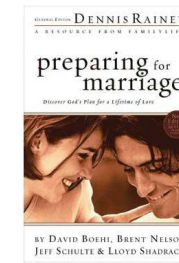

Weekend to Remember is not a large counseling session, and you will not be asked to participate in small groups. Rather, you will receive marriage-changing principles that you can take home and apply to your daily lives that will strengthen your marriage. Whether you are newly engaged or have been married for 50 years, you will find value in the tools provided at the getaway. The conference appears in the Capital Region in February, March & October. Locations for this year's conferences are National Harbor, Baltimore and Hunt Valley in Maryland as well as Reston, Virginia. Register online at www.familylife.com. Use the group name "newlifenetwork" to receive a 50% discount.

Coming Soon- The Art of Marriage is a new one-and-a-half day video event built on the same biblically based content as the Weekend to Remember marriage getaway. **The Art of Marriage** consists of six video sessions and an accompanying manual that provides couples with projects to help apply the principles taught during each session. The manual is also designed for couples to use after the event by offering articles, date night ideas, and useful tips for continuing to strengthen their marriage.

Marriage Classes & Small-Groups

Preparing for Marriage class is designed to help engaged couples prepare for the important task of building a Christian marriage. Each session includes informative Bible study, discussion questions, and special projects to be completed by the couple to reinforce the topic of the session.

Marriage Oneness is success training for couples who are serious about growing and improving their marriage. In these eight DVD sessions, couples will become equipped to grow in true intimacy, connection and purpose – and experience closeness for a lifetime.

HomeBuilders are small-group Bible studies developed by FamilyLife dedicated to making your family all that God intended. HomeBuilders small-groups will help you and your spouse discover timeless principles from God's Word whether you've been married for years or are newly married. Parenting HomeBuilders studies are available as well.
