## SMALL GROUP FAQs

**What is a small group?** A small group is a gathering of 3-18 people who meet together regularly for fellowship, Bible study and prayer. Small groups were created to connect people to one another and to the New Life family while helping them apply biblical principles to their everyday life.

**Why should I join a small group?** Joining a small group helps you become a part of the family and not just a face in the crowd. You are part of a group that provides a caring network of support. You will begin to understand the Bible better as you study the scriptures with others. Finally, you 'll discover the joy of experiencing life with genuine friends who accept you for who you are and for who you are becoming.

**What happens in a small group?** A small group meeting typically lasts an hour and a half to two hours. Our groups start with some fellowship time and then have a time of discussion based on the sermon or a specific topic, typically moving to a time to share prayer requests and to pray for one another. This may be followed by refreshments and more time to visit.

**Where do small groups meet?** Most groups meet in homes throughout the area. Some groups meet during the week on the New Life Campus.

**Do small groups offer childcare?** Each group handles childcare differently. Some offer childcare at a shared cost, others welcome children who are old enough to "hang out" with other kids in another room, and others do not have any accommodations for children. Each groups listing specifies their childcare policy and specific questions can be asked of each group leader.

**How do I join a group?** Look through the brochure to see what group is a good fit for you. Ask questions or sign up for a group at the small group area in the lobby. You can also call or email group leaders directly. If you aren't sure or need assistance email our Discipleship Director, Jenn Legacy, at [jlegacy@newlifelaplata.org](mailto:jlegacy@newlifelaplata.org) or call the church office at (301) 609-8423.

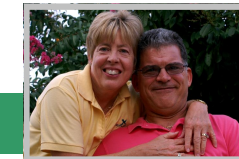

**What if I want to host a small group?** Contact Jenn Legacy and she will be happy to get you started. Email [jlegacy@newlifelaplata.org](mailto:jlegacy@newlifelaplata.org) or call the church office at (301) 609-8423.
