**Napkin Theology For Teens -
A Simple Way to Share Sacred
Truth**

**Written by Pastor Mike Hilson
Led by Pastor Bryan Sells and
Pastor Aaron Rummage**

Napkin Theology gives a simple

look at the foundations of our faith and how one can share the gospel at home, at school, or even at a party with friends. Each lesson includes a simple image you can quickly sketch on a napkin or piece of paper that will convey a significant biblical truth. With the image you'll learn an easy-to-communicate explanation, teachable questions, and a more in-depth illustration study of God's truth.

KIDS CROSSING

Wednesday discipleship extends into the children's wing as the elementary kids continue on their journey through The Story for Kids. The Story is based on God's great love story using characters and events from the Bible. These lessons are formatted around scripture references, memory verses and Bible themes. Each lesson is complimented with music, crafts and take home activities so that parents can join in on the journey through God's great story.

If you are a young adult wanting to explore in depth the challenging teachings of Christ, we invite you to come peel back the layers of popular thought and misconceptions regarding Christ's teachings in order to discover a new understanding of the Truths of the Bible. Find answers to questions such as if Jesus said that our sins can be forgiven why did He also speak of the unpardonable sin? Come join us and be challenged to encounter the Savior through the "tough sayings of Jesus."

Napkin Theology - A Simple Way to Share Sacred Truth Written and Led by Pastor Mike Hilson

Cost: \$10 - there is no cost if you already have a book.

Discipleship is never quick and easy, and with the pace of today's society there is little time for in-depth, one-on-one spiritual conversations. This class will teach you to make the most of brief bits of conversations here and there, over lunch or at the coffee shop. Each lesson includes a simple image you can quickly sketch that helps convey a significant biblical truth. With the image you will learn an easy-to-communicate explanation, teachable questions, and a more in-depth study of the theological truth it illustrates. Equip yourself to share God's Word in those impromptu moments you have with neighbors and friends.

*there will be handouts available for those who do not wish to purchase a book.
